We don't need a scalar triple product for a regular triple integral, though, as we know how to calculate the volume of a box without it. But, when you start changing variables in triple integrals, then the box gets transformed into a parallelepiped, and the scalar triple product volume calculation becomes important.

The scalar triple product - Math Insight

When you learn to triple your reading speed, you will confront two pleasant scenarios: (1) you will be able to reduce markedly the time you now require to do necessary reading; and (2) you will be able to get much more done in the same amount of time.
