Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.

Animal Farm (1945) is a satirical novella (which can also be understood as a modern fable or allegory) by George Orwell, ostensibly about a group of animals who oust the humans from the farm on which they live. They run the farm themselves, only to have it degenerate into a brutal tyranny of its own.
