

interpreting economic and social pdf

Economic, social and cultural rights are socio-economic human rights, such as the right to education, right to housing, right to adequate standard of living, right to health, victims' rights and the right to science and culture. Economic, social and cultural rights are recognised and protected in international and regional human rights instruments.

Many social changes took place under Islam between 610 and 661, including the period of Muhammad's

mission and the rule of his four immediate successors who established the Rashidun Caliphate.. A number of historians stated that changes in areas such as social security, family structure, slavery and the rights of women improved on what was present in existing Arab society.

Early social changes under Islam - Wikipedia
