Organic body piercing jewelry from natural materials like plugs, septums, and labrets in amber, bamboo, horn, bone, stone, wood, and tribal jewelry. Wholesale and retail.

ORGANIC: Natural Body Jewelry

Organic food production is a self-regulated industry with government oversight in some countries, distinct from private gardening. Currently, the European Union, the United States, Canada, Japan, and many other countries require producers to obtain special certification based on government-defined standards in order to market food as organic within their borders.

Organic farming is an alternative agricultural system which originated early in the 20th century in reaction to rapidly changing farming practices. Organic farming continues to be developed by various organic agriculture organizations today. It relies on fertilizers of organic origin such as compost manure, green manure, and bone meal and places emphasis on techniques such as crop rotation and ...
