### **Iphigenie in Freiheit (Book, 1992) [WorldCat.org]**

Abstract. This article analyzes Volker Braun's understanding of world history as theatrum mundi as depicted in the text Iphigenie in Freiheit (1992). Braun sees mankind's history as perpetually determined by forces beyond an individual's control, by war, and by murder, and suggests that the only way to escape this vicious circle is by renouncing violence.
