

question and answer format pdf

A closed-ended question refers to any question for which a researcher provides research participants with options from which to choose a response. Open-ended questions are sometimes phrased as a statement which requires a response.. A closed-ended question contrasts with an open-ended question, which cannot easily be answered with specific information. ...

Firstly, you have to understand what a PDF is. PDFs are designed to mimic a printed page, and they are designed only as an output format, not an input format. a PDF is basically a map containing the exact location of characters (individual letters or punctuation, etc.) or images.In most cases, a PDF does not even store information about where one word ends and another begins, much less things ...
