The rich man just sat back and thought
Of wealth he had in store,
And keeping all that he had earned
From the lazy, shiftless poor.
The black man's face bespoke revenge
As the fire passed from his sight,
For he saw in his stick of wood
A chance to spite the white.
And the last man of this forlorn group
Did nought except for gain.

Conker. When I feel the conker in my pocket. I remember him. My fingers close round. Its smooth solidity. It was autumn. Then, a different autumn, but like this. One ripe with golden sunshine and its gifts. Summer has hardened and packed tight inside. This dense, warm little parcel of the year. And warmer still it grows in my pocket

Conker, a poem by Joanna Seldon

The fact that it has another purpose as a weapon is unusual. It is interesting to pose the question which came first. It is not hard to imagine somebody tying a stringBow and arrow? onto a piece of stick tight enough to bend the stick and thus tension the string so that when tapped lightly with a short stick it would sound.
