strategies of article marketing pdf

Marketing warfare strategies represent a type of strategy, used in commerce and marketing, that tries to draw parallels between business and warfare, and then applies the principles of military strategy to business situations, with competing firms considered as analogous to sides in a military conflict, and market share considered as analogous to territory in dispute.

Marketing warfare strategies - Wikipedia

Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.
