

substance and attribute western pdf

Substance theory, or substance-attribute theory, is an ontological theory about objecthood, positing that a substance is distinct from its properties. A thing-in-itself is a property-bearer that must be distinguished from the properties it bears.. Substance is a key concept in ontology and metaphysics, which may be classified into monist, dualist, or pluralist varieties according to how many ...

6 The Experience of Imprisonment. This chapter summarizes what is known about the nature of prison life and its consequences for prisoners. The dramatic rise in incarceration rates in the United States beginning in the mid-1970s has meant that many more people have been sent to prison and, on average, have remained there for longer periods of time.
