Earlier this year, I calculated average salary estimates for the public and private sectors in Ireland. The answer, that the average worker in the private sector earned “40,000 last year, almost “10,000 less than their public sector counterpart, has proved if not controversial than certainly a starting point for debate. Given some of the comments on that blog post, and the fact that the ...

In American football, an official is a person who has responsibility in enforcing the rules and maintaining the order of the game.. During professional and most college football games, seven officials operate on the field. Beginning in 2015, Division I college football conferences are using eight game officials. College games outside the Division I level use six or seven officials.

A workshop on the future of surgery at the UK Royal College of Surgeons on Sept 20, explored the reasons why the transition from development and exploration to assessment of surgical innovations now required by the technique of facial allotransplantation so often proves difficult. The personal and professional investment of individual surgeons in innovations seems to play a key part.
