Talking. Talking and understanding speech go hand in hand. By listening to others, your child learns what words sound like and how to put a sentence together. As a baby, she discovered first how to make sounds, then how to make those sounds into real words ("mama" and "dada" may have slipped out as early as 4 or 5 months).

Personification is a figurative language technique where an object or idea is given human characteristics or qualities. In other words, using our language, we make an object or idea do something that usually is only done by people. With personification speakers and writers make the object or idea like a person and, hence, they personify it.
