New sister site 02 September 2018. From our own experience living abroad, we've known that effective "fluency" in another country doesn't just come from building up your vocabulary, but requires learning a shared cultural vocabulary too – knowing the culture's top sports stars, musicians, political leaders, and more.. So we were inspired to take the experience we've gained with Test Your ...

Psychological testing is the administration of psychological tests, which are designed to be "an objective and standardized measure of a sample of behavior". The term sample of behavior refers to an individual's performance on tasks that have usually been prescribed beforehand. The samples of behavior that make up a paper-and-pencil test, the most common type of test, are a series of items.
