Hezbollah has the armed strength of a medium-sized army. Hezbollah is generally considered the most powerful non-state actor in the world, and to be stronger than the Lebanese Army. A hybrid force, the group maintains "robust conventional and unconventional military capabilities." The party's fighting strength has grown substantially since the 2006 Lebanon War.

Hezbollah armed strength - Wikipedia

A military or an armed force is a professional organization formally authorized by a sovereign state to use lethal or deadly force and weapons to support the interests of the state. It typically consists of branches such as an Army, Navy, Air Force, and in certain countries the Marines and Coast Guard. The task of the military is usually defined as defense of the state, and its citizens, and ...
