Assemblage is an artistic form or medium usually created on a defined substrate that consists of three-dimensional elements projecting out of or from the substrate. It is similar to collage, a two-dimensional medium. It is part of the visual arts, and it typically uses found objects, but is not limited to these materials.

Aestheticism (also the Aesthetic Movement) is an intellectual and art movement supporting the emphasis of aesthetic values more than social-political themes for literature, fine art, music and other arts. This meant that art from this particular movement focused more on being beautiful rather than having a deeper meaning "art for art's sake".
