Scrum: The Art of Doing Twice the Work in Half the Time

The Art of Work was referenced in a SHRM article that I read and I decided to borrow it from my local library; and I'm so glad that I did. What I appreciated the most about the book is that Jeff Goins doesn't pretend to have the answer to figuring out what your calling in life is and how to pursue it.

HOW ART WORKS

In the book, Handy lays out five different types of work that make up your portfolio. They are: fee work, salary work, homework, study work, and gift work. • • Fee and salary work are the only types of paid work and are somewhat self-explanatory: fee work means trading hours for dollars and a salary is a fixed income based on a job ...

film• have had on art in its traditional form. II Even the most perfect reproduction of a work of art is lacking in one element: its presence in time and space, its unique existence at the place where it happens to be. This unique existence of the work of art determined the history to which it was subject throughout the time of its existence.
