

the australian light horse pdf

Origins. The Australian Light Horse was established as the outcome of a doctrinal debate that took place in military circles in Australia in the late 19th century concerning the future of mounted troops. The example of the Franco-Prussian War illustrated that the battlefield had become dominated by massed land armies supported by artillery. For Australia the reality was vast spaces with sparse ...

Australian Light Horse - Wikipedia

The 10th Light Horse Regiment is a "light cavalry" regiment of the Australian Army Reserve, raised in Western Australia (WA).. While the name of the 10th Light Horse originated in the first months of World War I, the regiment traces its ceremonial lineage to mounted infantry units of the Colonial militia of Western Australia, raised during the late 19th century, such as the Western Australian ...
